

DEAR VISITORS, WELCOME!

Please read the following information about Covid-19 protection carefully. Thank you for your understanding.

COVID-19 PROTECTION POLICY FOR VISITORS AND EMPLOYEES

The safety of visitors and employees is our top priority. To ensure your protection, the *Antikenmuseum Basel und Sammlung Ludwig* has developed a comprehensive protection policy for the museum, in line with the Federal Council's Covid-19 regulations.

The details include the following:

- Masks are compulsory in the bistro and museum rooms for guests and employees.
- The number of visitors is limited via communication of the maximum number of people in each area. Access to the exhibition rooms and the museum may be temporarily stopped if there are too many people inside.
- We prefer payment by card. Payment can be made using cash in exceptional cases.
- The guided tour of the museum has been adapted so that the distancing rules can be observed.
- Hand sanitiser is available to visitors and employees at several central locations throughout the museum.
- Additional cleaning and hygiene measures for the museum infrastructure are being taken.
- The museum rooms, including the bistro, are ventilated regularly.
- Employees in contact with visitors are informed about the protection policy and trained accordingly.

Please also follow the official federal behaviour and hygiene rules in the museum:

We would like to thank you for your understanding of these measures and for helping us to comply with these rules to protect you and the people around you.

Basel, 1 March 2021
